FOREWORD

Is the S.S.M.F.L. top four already finalised?

With only eight games left to play it could well be. And certainly the struggle for a place in the second semi-final is a more intense one than that for a finals berth.

Three sides still have an outside chance of making the four. They are Canning who are Two games behind the fourth side, Kelmscott and Kwinana and Mandurah, who are three games behind.

Canning are the logical challengers. They have played consistently well in recent weeks and showed their ability by defeating Gosnells a fortnight ago.

But they may have left their run too late. Because of their inferior percentage the Tigers would have to win three more games than any of the sides in the four and none of the top bracket is playing that badly.

The same situation applies to Kwinana and Mandurah, except they must win four more games which looks an impossibility. But the three sides can help each other's cause by upsetting the sides above them.

Kelmscott's win against Kenwick last week and Gosnells two successive defeats has thrown second place into the melting pot.

With those three sides now equal on the ladder their race to the end of the qualifying rounds should be an exciting prelude to the finals series.

TODAY'S GAMES:

Gosnells have suffered a temporary setback to their premiership plans over the last fortnight but they were willing competitors against Maddington last week and should defeat Thornlie at gosnells oval. Thornlie are playing well below their capabilities and appear to have no motivation.

Kwinana's finals chances (slim as they are) rest entirely on their ability to win every game, including today's against Kenwick at MEDINA OVAL. Kenwick have been hit by a rash of injuries and at home, Kwinana could cause the upset of the round.

Kelmscott confounded the sceptics last week and they look far too talented for Armadale at GWYNNE PARK. A win today could put Kelmscott in second position and that should be the incentive they require.

Canning play Mandurah at WYONG OVAL in a game that will finish one or the others aspirations for this season. Canning look a much bigger side physically and can be expected to take the points.

The top and bottom sides, Maddington and Kalamunda meet at HARTFIELD PARK and when one side is undefeated and the other yet to win a game, a prediction is hardly required. It is to be hoped the young Kougars learn something from their opponents.

THE KNIGHTS NOTES

In a complete reversal of form we recorded our first away double for the season against Thornlie last week.

The seconds side staged a great fightback to clinch victory by a narrow margin after being five goals down early in the game. It is this will to win at all costs which will see us win more games in the near future. Good players were K. Riley (welcome back), G. Ross, A. Proctor and T. Cousins.

In the league game a rejuvenated Knights combination outclassed their opponents to win by 11 goals. It was a credit to a team struggling with form and injuries, to give a good display of backing up and team football needed to win a game which was vital to the future success of the club. There were many good players, those outstanding being J. McBride, J. Sofield, D. Baskerville and R. De Boer.

Special thanks also to our hardworking President. I appeal to members of the club to give Terry every assistance and relieve him of some of his burden.

Today we meet Kenwick, in another important step in climbing the ladder. A 100% effort for 100 minutes should give us another double.

I invite Kenwick to remain behind for social drinks after the game.

KING ARTHUR

KALAMUNDA

Our hopes for our first win were set back when the league team went down narrowly to Mandurah at Mandurah in a hard fought game it was one of the better four quarter efforts put in by the side this year particularly the last quarter.

Best players for the league were T. Enright, K. Smith, P. Hayes, P. Roseair, J. Bingham and M. Jeffories.

In the Reserves match Mandurah came from behind to defeat a Kalamunda side that had the lead for the last three quarters of the game. Failure to capitalize on the chances we had in the period of play cost us the game.

Best Players were P. Crower, L. Jones, G. O'Mara, G. Pitchers and R. Evans.

This Sunday we are hosts to Maddington and we would like to extend an invitation to the club to join us in our after game social at the Wattle Grove Hall.

TALK OF BULL

Congratulations on the performances of the League and Reserves players against the Hawks. The Reserves looked like incurring their first loss for the year until they threw everything into a last effort to win a very tough game. It proves that a really good side is one which will work to get back into the game when looking well beaten. This attitude was displayed by all players and when Dave Reynolds is running flat out in the last quarter of a game to pressure an opposition player, then it is not hard to see that games are won by players who are willing to apply themselves 100%. Congratulations to Barry Stockden. Welcome to Steve Jancey playing his 1st game for the Club. The league game promised to be a tough one and the large crowd were not disappointed. Two quick goals early to Gosnells showed that they meant business and until half time it could have gone either way. However the Bulls applied the pressure in the 3rd term and helped by another loose defence notched 9 goals for the team. In a good team performance players to show out were Trevor Tregear, Col Walker and Denis Cometti. Its good to see Guy Sherrington hit his strapps again. A real gutsy effort was displayed by Lindsay Reynolds who suffered a dislocated shoulder twice in the game, but saw it out to near the end. Bad luck to Jim Commineilli in sustaining a head injury. Most of us know Jim likes a hard game and is prepared to give and take and the sooner hacklers realise this the better for the game. Congratulations to Brent Anderson in notching his first league game. Socially the club welcomed back past players in Tommy Brown, Vern Murphy and Mick Butler last week. Both Tom and Vern were coaches of the Club. Vern incidentally is Vice-President of Port Adelaide and is over for a short holiday. Last Friday's cabaret was a great success and the next in August will be even better. Remember the "Bulls Ball" on July 16 and keep those raffle tickets moving for the big \$1,000 prize.

JUNIORS:

It is good to see all teams performing well especially the 14's who are undefeated, congratulations to the players and coach Danny Grogan. See you at the Cabaret for parents and supporters on Sat. July 3rd.

THE BULLDOGS

The League victory against Kenwick was the success the Club had been seeking for some time. The win was gained through sheer determination and fierce desire to win the ball, which had been lacking in past matches.

After being four goals in arrears at half-time players like Lindsay Tann, Paul Vasoli and Phil Farmer led a third term revival of which Kenwick never recovered. Congratulations to all players concerned because in the final analysis, it was a team effort.

For the first time for a long while our victories were not gained as doubles. Unfortunately, the Reserves side could not match Kenwick for the entire 100 minutes after being all tied up at half time. However, the side was not disgraced and with slightly more application and concentration, they can still be leading contenders for the flag. Ian Alexander, Greg Walker and Neil Lewis made up the best player lists.

Mention must be made of the 16's side. After a slow start, Trevor Riley has the boys sparking, and of the attendances at training are any indication, better times are in store. Noteworthy performances turned in regularly by Greg Dunn, Barry Clark, Neil Bradley and Mark Hilderbrandt.

THE SEASIDERS

At last Mandurah has joined the winning list again with an eighteen point victory over Kalamunda last week. It was a double victory because the B grade were also victorious, so the Mandurah supporters were doubly delighted.

The main match was a fairly even tussle in the first quarter, but in the second quarter Mandurah established a three goal lead which the Kalamunda side could not then reduce. They did come back strongly in the closing stages of the third quarter and kicked three very quick goals but luckily our players were equal to the task of holding them out. Geoff Rus, Greg Rundell, Rusty Renfrey and Terry Sullivan were the best players of a team that put in a very good effort. Mark Hookway, playing his first league game at centre half back, is deserving of congratulations for a really good game. Kalamunda are also to be congratulated for the way in which they fought the game out, making it an interesting game for spectators.

The B grade had a very comfortable win 10-11 to 4-9. The best players were Ian Jones, on a wing, Tim Murray as a rover, Danny Hillen at centre and Tom Heitman a full forward. Special mention must be made of Heitman, who kicked seven goals. The team did particularly well in the second half when they kicked 6 goals and kept Kalamunda down to 2 points.

Today we meet Canning on their home ground. They have won only one more game than us and although they have a home ground advantage we should have our tails in the air after last week's confidence booster. So good luck to the team today — I feel sure we can do it.

IN THE LIONS LAIR

Last Sunday saw the Lion's 1st XVIII DEFEATED BY A VIBRANT Kwinana side that held too many guns for the home team's gallant but inexperienced brigade. Congratulations to Kwinana, but it was the home sides doggedness that the local supporters admired most despite a big deficit the players continued to work to the best of their ability until the siren. Few players were on top of their immediate opponents for the four quarters but Ray Dalton and Gav Denton weighed in with strong performances. Dennis Evans and Dave Payne roved well to a ruck that was beaten by "Baskerville's Bunch" and the tyroes of the wings never said die.

In the Reserves Kwinana proved it's not always the best side that wins when they ran out six point winners after a hard slogging but exciting game. Thornlie led all day except when it counted. Solid contributions were made by Bruce Peters, Laurie Hunt, Steve Phillips and the Kenwick reject Stuart Elliott. The win / loss record of this team shows that the final four is not beyond them, however it is the spirit in which they play the game that is keeping large numbers in attendance at training. Coach Morcom (Little Hitler) has earned the respect of his charges and it won't be long

TIGER TALES

Congratulations to both sides on recording our first winning double for the season last Sunday. The inclement conditions which prevailed resulted in both games being hard slogging, gruelling affairs and full marks go to the way our boys handled the situation. The next few games could be played in similar conditions and our ability to handle the wet may stand us in good stead.

Bob Marks was unlucky enough to be the recipient of our first severe injury for the season, dislocating his shoulder in the early game. We wish Bob a speedy recovery. Greg Sladden was also forced to leave the ground in the league game, with a leg injury. Up until then Greg had revealed his true form for perhaps the first time this season and left the ground a very disappointed player.

The club welcomes the return of Neville Vellacott from his New Zealand honeymoon. Neville's form in the seconds indicated he could soon force his way into the league side, a task that is becoming more difficult as our form improves. On the debit side we break the news that Brian Manzini, who must be rated one of the best full backs in the competition, has been transferred North for a period of some four weeks. His position will be hard to fill, but Bob Langford has all the credentials.

A players tea will be held next Friday night at the clubrooms and attendance is compulsory for all players. Training this week will also be on Wednesday and Friday evenings.

Don't forget the Annual Ball on July 16 at Cannington Central — See Terry Freeman for your tickets now — \$20 a double — everything provided — All welcome, members and friends.

before he is rewarded with those vital premiership points.

It would be remiss of me not to mention the election of Bruce Comley as the new Club President. He takes over the position from Ian Hedley who has been forced to resign after four years of faithful service. On behalf of all players and supporters, I would like to extend to Bruce and wife Diane the very best wishes of all Club members and hope that they derive much pleasure and satisfaction from this position of office.

Club membership continues to grow and is now greater than at any time in the club's history. A list of members is now posted on the bulletin board. It must be pleasing from the point of view of Coaches Senior and Morcom to see so many players attending social functions. Regardless of the club's standing on premiership tables (when they are corrected) it indicates club spirit is still high.

Today we meet Gosnells and both games will be hard to win. Provided the effort is there, who knows what the outcome.

Later on,

THE HAWKS

Although we were soundly defeated by Maddington last Sunday, credit must be given to our players who performed well up to half-way through the third quarter. This was when we took second berth to the Bulls and let the game slip away. We are not finishing as strongly as in earlier games and the pace we once displayed seems to have diminished somewhat.

Best Players for the league were Ken Reynolds playing at halfback flank, Rick Martin at half-forward flank with his spectacular marks and Steve Moore at centre half forward.

The Reserves side put in a great effort and were extremely unfortunate not to win. It's a great pity when personal frustration on the part of any player handicaps a team from certain victory. On the field frustration of this nature would be best left out of a team game. Because of several incidents in last week's game which were not in keeping with teamwork, our side paid the penalty of losing. Let this be a lesson to be learnt in all remaining games, as we know the side has the ability to win this competition. Best players for the reserves were Bob Dorsa at centre half back and Tim Barker on a half back flank. Congratulations to the majority of the players who performed as a team.

We meet Thornlie today and if our smaller players turn on the speed and keep running against the bigger side we will be assured of a victory.

SOCIAL: Please remember to attend our Quiz Night on July 2 at the Percy Garrett Social Pavilion. An entertaining night is assured so I'm told by the compare Mr. Jeff Crabb.

DEMONS DIGEST

'NOT FOR NIX - IN '76!'

Today, we are hosts to our neighbours, Kelmscott F.C., the "Bulldogs". This is the game where respective league positions are not so important as winning your local derby match. The Bulldogs won the first round between us, I don't have to emphasize who wins the second round do I? All Bulldogs are invited to our friendly after match for a "jaw 'n' jar".

Last week saw the League side go down to Canning, in a game that the Demons made their 'run from the back' far too late, we're not a Mount Eden side yet, and until then we must get ourselves in a box seat from the word go. This game saw Mike Meloncelli promoted for his first league game and he acquitted himself well. Young Wayne Hand also made the twenty, quite deservedly so, and the return of Peter Griffiths to the side, was also justified in my book. However the best example of a player's consistent perseverance was shown by Col Towers who was named as best player for the Demons. His fighting performance was matched by 'Sneaky' Pete Gajda, and Bill Griffiths, in a game that called for real

man - to - man challenges. This game also marked the 50th league appearance by Charlie Tenardi. Congratulations Charlie, look forward to your 100th game for the league side.

The reserves despite putting in two winning quarters, went down to the Tigers, in a game that saw players only too willing to criticise the other player but not his own performance. The player that never makes a mistake, has not been born yet. The day a player encourages good points in another player, and buttons his lip when that player makes a mistake, thinking only what he can do to rectify that mistake by a fellow player, with action, positive action only, then, and only then, can that player truthfully say that he has PLAYED a game of football.

Look you Demons, it's bad enough having your Sunday teams lose so often, but I have Subi as my Saturday team, I'm telling yer fellas it hurts, believe me!

The Under 18's quickly made amends for the defeat by Maddington, when they thrashed Kenwick in no uncertain fashion at Gwynne Park last week. Best players were, "Tracker" Sheppard, Ivan Vudrag (one of Joe's) "Hendo" Henderson and "Veg" Fulgrabe. Demonship fellas!

PEEGEE

MIGHTY ROYALS

With three of our top player's out, Kim Lofts, Coach Neil Dedman and Leon Ryan, Kenwick made a valiant effort to notch another victory but were thwarted by a more efficient Kelmscott side. The loss of these three players did not seem evident in the first half as the Kenwick side played good purposeful football and held a commanding lead at the change. Centre-line players in Ray Winduss, Ralph Martin and Brian Thompson and Well supported by Rovers Geoff Truscott and Alfie Stal repeatedly took advantage of the effective Ruck play of John Risley, Jim Gilbert and the ever improving Kevin Dale. However after half-time Kenwick were found wanting and their early supremacy slowly dwindled. The backline led by Kevin Wilson, Barry Nickling and Garry Holbrook continually stopped many of Kelmscott's forward moves, but the forward line lost confidence and goals became few and far between. Kelmscott gradually wore down a fighting Kenwick side in the last quarter and went onto win by 9 points.

Some players in the side were obviously disappointed with their games (rightly so) and it proves a point that 50 minutes does not make a footballer or win games, especially the tough ones. It is hoped their attitudes will change

before our next game for we are at a vital stage of the year where the next four games are a must.

SECONDS:

Playing like a well disciplined side the seconds jumped Kelmscott in the first fifteen minutes of the game and piled on five goals in quick succession. Again however, concentration lapsed for a brief period and Kelmscott recovered the position by quarter time. The second quarter was a well fought contest with Kelmscott fairing better and by half time scores were level. But unfortunately for Kelmscott that is where it ended — Kenwick came out with a totally different attitude and added 9.7 to 2.2 for the second half. Tom Quinn (3 goals) gave an excellent display at centre where he continually took possession of the ball and gave our forwards many opportunities. To reap from these efforts were players Wayne Hill and Norm Miller (who kicked four goals). The Ruck Duels were an even contest but none tried harder than Arthur Mills and rover Neil Fry. Other players to give throughout were John Oliver and Alan Berity. This is the standard of football John Risley is expecting from the players — so keep it coming.
